# MEET, THE NEED NC

Changing the I/DD landscape across the state

Systemic change for I/DD community services and supports requires a common agenda.

# Where are we now regarding Unmet Needs for North Carolina's I/DD community?

People with lived experience are key to our efforts.

It is hard to find, keep and know how to best use services.

People of all ages with I/DD and their families are surviving, not thriving.

Many changes are going on with Medicaid: Medicaid Transformation & Expansion, 1915(i), and Care Management.

Many people who need support are not getting it or don't know what help is available.

The Registry of **Unmet Needs** (RUN) is 18,700 + and growing: Waiver slots are

Community living and inclusive employment are not realities for people with I/DD.

People don't always agree on what's best for people with I/DD and community living.

Schools are not preparing those with I/DD for living their most successful lives.

We are in silos.

The terms Registry of Unmet Needs (RUN) or Registry refer to the waitlist of the Medicaid Innovations Waiver.
